

### Customer Service:

- Our number one priority!

### Capabilities:

- Extensive supply network
- Iso certified suppliers
- Small orders to truckload quantities
- Technical support
- Warehousing - Midwest
- Cost-effective alternatives
- Optical sorting
- Provide toll compounding

### Sustainability:

- Supply recycled materials made from post-industrial and post-consumer feedstreams
- Purchase regrind, scrap and obsolete material

### Industries served:

- Industrial
- Recreational
- Automotive
- RV
- Lawn and garden
- Medical
- Marine
- Plumbing

Brennan Polymers

Custom Products

*Available in prime, mid-grade, & recycled resins  
Available in custom compounds, custom colors, UL listed, specialty additives, etc.  
Brand name products available*

#### ABS

- Unfilled & glass-filled
- High-heat, high-flow
- Flame retardant
- Plating grade

#### Acetal

- Copolymer & homopolymer
- Unfilled & filled
- PTFE, silicone additives

#### ASA

- Weatherable

#### HIPS

- Various izod & melt flows

#### Nylon (6, 6/6, 6/12)

- Unfilled & filled
- Flame retardant, heat stabilized
- Impact modified

#### PBT

- Unfilled & filled
- Flame retardant
- Impact modified

#### PC

- Unfilled & filled
- Flame retardant
- Various melt flows

#### PC/ABS

- Flame retardant
- High-flow
- Unfilled & filled

#### PC/ASA

- High-impact

#### PC/PBT

- Unfilled & filled

#### PE (HDPE and LDPE)

- Unfilled & filled

#### PEI

- Unfilled & filled

#### PP

- CoPP, HoPP & random CoPP
- No-break
- Unfilled & filled

#### PPA

- Unfilled & filled
- Flame retardant

#### PPO

- Unfilled & filled
- Flame retardant

#### PPS

- Glass-filled
- Flame retardant

#### PVC

- Multiple durometers
- Rigid or flexible

#### TPC+ET

- Multiple durometers

#### TPE

- SEBS, SBC, TPV
- Multiple durometers
- Overmoldable, bondable, & UV

#### TPO

- Unfilled & filled
- Impact modified

#### TPU

- Multiple durometers
- Polyester and polyether
